

SAMSUNG PAY TERMS AND CONDITIONS

These terms and conditions (“Terms and Conditions”) are an agreement between you and Citibank (Hong Kong) Limited (“we, or us”) that governs your access to and use of your eligible Citibank consumer credit card(s) (“Credit Card(s)”) and/or debit card(s) (“Debit Card(s)”) linked to accounts domiciled in Hong Kong (“Card”, or “Cards”) through Samsung Pay. The term, Samsung Pay, shall include the Samsung Pay branded payment functionality, the Card provisioning functionality, and transaction history displayed. We will determine, in our sole discretion, which Cards will be eligible for use through Samsung Pay. We reserve the right to decline any enrollment of a Card to Samsung Pay without the need to give you any reason. Please review these Terms and Conditions before you decide whether to accept them and continue with the enrollment of your Cards to Samsung Pay. By registering or using a Card in Samsung Pay you agree to use your Card through Samsung Pay in accordance with these Terms and Conditions. If you do not agree to these Terms and Conditions, then you must not register your Card to, or use your Card in connection with, Samsung Pay. Use of Samsung Pay is at your discretion. You are not obliged to use Samsung Pay in connection with any of your Cards.

Your use of Samsung Pay to purchase goods and services with your Card is governed by the applicable terms and conditions between you and us in connection with each account to which the Card is linked (“Account”). The applicable terms and conditions to your Card and/or Accounts with us, including the: (a) Terms and Conditions for Accounts and Services; (b) Citi Credit Card Agreement and/or Citi Octopus Credit Card Agreement and/or Citi HKTVMall Card Agreement and/or Citi The Club Credit Card Agreement (“Cardholder Agreement”); (c) Policy Statement relating to the Personal Data (Privacy) Ordinance (collectively, the “Relevant Terms”), are incorporated by reference as part of these Terms and Conditions. You also acknowledge that your use of Samsung Pay is subject to the terms and conditions set forth by Samsung Electronics Co., Ltd. and/or its affiliates (“Samsung”) with respect to the use of Samsung Pay, which will not change or override these Terms and Conditions.

ELIGIBILITY / ENROLLMENT

Samsung Pay is available to cardholders for the purposes of purchasing goods and services with a compatible Samsung mobile phone that contains a secure element (“Eligible Device”) at near field communication (“NFC”) and magnetic secure transmission (“MST”) enabled merchants who accept Samsung Pay as form of payment. Samsung Pay allows you to use your Eligible Device to access and use your Cards to make such purchases in place of presenting or using your physical Card. To add your Card to Samsung Pay, you must register your Card through Samsung Pay either by scanning the Card or entering the card details manually (“Samsung Pay Card Registration”). You may be required to take additional steps to authenticate yourself before your Card is added to Samsung Pay (“Additional Authentication”). Your enrollment will be declined if the Card is not eligible for this service, you failed the authentication process, or if your Card or underlying Account is not in good standing or conducted in a proper or satisfactory manner as determined by us in our absolute discretion. Samsung Pay may limit the number of Cards that you may store in one Eligible Device from time to time which we cannot control. We may, however, limit the number of Eligible Devices in which the same Card can be stored from time to time and you should refer to our latest communications regarding such limit.

For Credit Card which has supplementary cards, Samsung Pay Card Registration and Additional Authentication shall apply when supplementary cardholders wish to enroll their supplementary Credit Cards with Samsung Pay.

By adding your Card to Samsung Pay, a unique numerical identifier different from your Card number (“Device Card Number”) will be allocated for the purpose of making purchases and receiving refunds through Samsung Pay. Due to the manner in which Samsung Pay operates, you may need to present your Eligible Device at a merchant when you return an item purchased using Samsung Pay on such Eligible Device.

Renewal of your Citi Visa Card upon expiry or replacement of damaged Citi Visa Card will not affect your use of the same Visa Card enrolled for Samsung Pay, whether or not you have activated the renewed or replacement Card.

YOUR USE OF CITI CARDS THROUGH SAMSUNG PAY

Purchases you make with Samsung Pay using your Credit Card or Debit Card are governed by the Relevant Terms. Please review the Relevant Terms for important information on your rights and responsibilities when making purchases. You must keep your Eligible Device safe (including ensuring that the device is not modified contrary to the software or hardware guidelines of the manufacturer) and ensure that where your passcode or personal identification number is required to allow you to use your Eligible Device to access and use your Cards to make purchases for Samsung Pay, your passcode or personal identification number is not disclosed to any one and you must take all steps and prevent any fraud, loss or theft in respect of the Eligible Device or any Card in connection with the use of Samsung Pay.

If biometric details may be used to identify you or be used to grant access to the Eligible Device to access and use your Cards, you must not save a third party’s biometrics such as finger print (biometric information) on the Eligible Device. In the event a third party’s biometrics is saved on the Eligible Device, whether now or in the future, and such biometric details can be used to grant access to the Eligible Device to access and use your Cards, you understand and acknowledge that such person, using his or her biometrics, will be able to access and use your Cards and make purchases with Samsung Pay using your Cards, and the relevant transactions will be charged to your Cards, to which you shall be responsible and held liable

If you enroll for biometric verification such as finger print identity (“Touch ID”), personal identification number or passcode on Samsung Pay, the collection, storage, enrollment and access to Samsung Pay using your biometric information, personal identification number or passcode will be made using the technology on your Eligible Device. Accordingly, when you log into Samsung Pay and choose to be verified using the technology on your Eligible Device, your finger print or any other biometric information, personal identification number or passcode will be matched and verified against your Eligible Device’s technology. Accordingly, you acknowledge that we have no control over the technology on the Eligible Device, the availability, capability, verification method, security and integrity of the Eligible Device and cannot be held responsible for transactions effected using Samsung Pay and authorized using any biometric information or personal identification number or passcode. You should therefore assess if the Eligible Device’s manner of verification and risks associated with such use is acceptable to you.

Use of Samsung Pay is at your discretion. You are not obliged to use Samsung Pay in connection with any of your Cards. Accordingly, you agree that the access and use of your Cards on Samsung Pay will be considered as authorized by you and you shall be responsible and liable for the same. If your Eligible Device is lost or stolen, any biometric information or personal identification number or other passcode is compromised or used or Card has been used through Samsung Pay without your permission, you must notify us immediately and if we so require, furnish to us a statutory declaration in such

You acknowledge that the use of a modified device to use your Card in connection with Samsung Pay is expressly prohibited, constitutes a violation of these Terms and Conditions, and is grounds for us to deny your access to your Cards through Samsung Pay.

We have the right to suspend or cancel your ability to use your Card in connection with Samsung Pay at any time and need not give you any prior notice or reason for doing so.

We have the right to impose a limit on any daily and/or individual transaction amount(s) charged to your Card through Samsung Pay. The limit will be such amount(s) as determined by us and notified to you.
